Fundy Direct

[Learn more, click here.](#)

Create an album and have it ordered and printed directly through Fundy Designer from participating labs or album companies. Remove the frustrations of ordering, let Fundy do the work.

Design & Export

Fundy Designer has 120+ labs and 3900+ album sizes and specs already preloaded to save you time when designing. Simply choose from the available sizes, design your album and export your print-ready files.

Custom Size

Don't see your size or album company? With Album Builder, you can create a custom size manually, so you can design for any book.
